

Branking angle grinder M18FSAG125X

<https://ehle-hd.com/en/product/akku-winkelschleifer-m18fsag125x/>

Milwaukee's **M18SFAG125X-0X cordless angle grinder** has similar performance to corded 1200 watt angle grinders. With reduced gearbox size and lower angle of the battery mount, better balance and ergonomics are achieved compared to the previous model.

Features

- Corded performance similar to a 1200 W angle grinder.
- Reduced gearbox size and lower battery mount angle - for better balance and ergonomics compared to the previous model
- Anti-vibration side handle for low vibration
- FIXTEC™ quick-change system for tool-free disc changes
- Slim handle design
- Replaceable dust guard prevents the ingress of dirt, extending the life of the machine
- 125 mm toolless guard adjustment enables large cutting capacities
- Restart protection for high user protection
- M18 FUEL™ is designed for the most demanding users. The technology delivers maximum power and combines three central building blocks - the brushless POWERSTATE™ motor, the REDLITHIUM™ battery and the REDLINK PLUS™ electronics. By optimally matching these three MILWAUKEE® technologies, we achieve maximum performance with the greatest possible durability.
- 100% system compatible with the MILWAUKEE®-M18™ product range.

Technical data:

- Battery: Li-ion
- Anti-kickback: yes
- Soft start: yes
- Switch: slide switch
- wheel diameter: 125 mm

- Spindle thread: M14
- Idling speed: 8500 rpm
- Max. cutting depth: 33 mm
- Weight with battery: 2,7 kg
- delivered in: HD box

Scope of delivery:

- 1x cordless angle grinder - M18SFAG125X-0X
- 1x case (HD-Box)
- without battery and charger
