

Bomb Plus nozzles

<https://ehle-hd.com/en/product/bomb-plus-nozzles/>

For long sewer distances we recommend the Bomb Plus nozzle!

The 2 flat jet angles of 8° and 15° allow large hose distances and, therefore, cleaning of long sewers.

Features

- cleaning of slightly and medium contaminated sewers of DN 200 and above
- especially suited for very long sewers, e.g. in landfills or under motorways.
- for regular maintenance operations

Attributes
