

Cordless percussion drill set

<https://ehle-hd.com/en/product/cordless-percussion-drill-set/>

The **M18 CBLPD-442** cordless percussion drill action set from Milwaukee consists of 2 rechargeable batteries (4.0 Ah and 2.0 Ah), charger and case. With its compact length of only 165 mm, the impact drill is particularly handy and allows you to work in hard-to-reach places. The brushless motor with max. 60 Nm torque is the ideal combination of power and handiness.

Features

- Extremely handy: only 165 mm in length allows you to work in hard-to-reach places
- Improved 13 mm metal quick-action drill chuck for easy bit change and strong bit hold
- REDLINK™ electronics - overload protection in machine and battery ensures long service life
- REDLITHIUM™ battery offers a perfectly tuned design, advanced electronics and lossless power delivery for longer tool life and extended durability
- With max. 60 Nm torque, the machine is the ideal combination of power and manageability
- Metal belt clip
- Battery charge indicator and LED illumination of the working area
- 100% system compatible with the MILWAUKEE®-M18™ product range
