

Drop-Head Auger short version

<https://ehle-hd.com/en/product/drop-head-auger-short-version-2/>

The **short version of the drop-head auger** combines the benefits of articulation of the standard Bulb Auger, with a shorter tool length which makes it especially suitable for use in narrow and very narrow drain bends. In addition, the tool may be also used as a Retrieval Auger.

Features

- for light textile and cellulose blockages
- for use in narrow and very narrow drain bends
- can also be used as a Retrieval Auger
