

# M18 FUEL High Speed Chain Snake

<https://ehle-hd.com/en/product/high-speed-chain-snake/>

The **M18 HSFSM High Speed Chain Snake** with flexible shaft is the ideal machine for cleaning, milling and rehabilitating pipes. It loosens and removes blockages, deposits as well as roots in drain pipes and can be used with special tools for rehabilitation preparation.

The advantage with the system is that parallel work can be done with a camera, which provides maximum control over the work process. The universal tool holder allows the connection of most of the attachment heads available on the market.

## Features

- use in pipes from 32 - 100 mm
- infinitely adjustable speed from 600 - 2200 rpm
- battery runtime with a 12 Ah battery is up to 60 minutes
- parallel camera inspection possible
- higher productivity - quick set-up, quick cleaning, cordless and easy to transport
- electronic foot pedal and integrated drum brake all-terrain wheels and extendable telescopic handle
- Mechanical clutch protects the shaft from damage in case of jamming or blocking.
- Weight of 29 kg so the machine is lighter than comparable solutions.
- The large wheels and integrated telescopic handle make the machine easy to move over stairs and on uneven terrain.
- A sturdy frame construction protects the technology and increases the service life.
- universal 8 mm flex shaft suitable for tools from other manufacturers

## Technical data:

- **Pipe diameter:** from 32 - 100 mm
- **cable length:** 23 m
- **flexshaft:** 8 mm
- **Battery voltage:** 18 V
- **Battery running time (12.0 Ah):** approx. 60 minutes
- **Rotation speed:** 600 - 2200 min<sup>-1</sup>
- **Wheels:** 115 mm

- **Weight with battery:** 29.0 kg

## **M18 HSFSM-122 - Set consisting of:**

- M18 HSFSM battery high-speed pipe cleaner
- 1x standard chain spinner 32-40 mm
- 1x standard chain spinner 50 mm
- 1x standard chain spinner 75 mm
- 1x standard chain spinner 110 mm
- 1x 500ml oil and an Allen key
- 2x 12,0 Ah FORGE battery pack (latest generation) and a quick charger
