

Layflat Hoses polyurethane coated - Storz-C

<https://ehle-hd.com/en/product/layflat-hoses-red-storz-c/>

The high-quality **layflat hoses** for construction and industry with polyurethane outer coating are used for pumping large quantities of water. The red polyurethane coating increases the abrasion resistance and durability and reduces the water absorption of the fabric.

A flat hose is ideal for pumping out large quantities of water with a submersible pump or for filling a vehicle or tank. Construction hoses are therefore preferred when flooded areas are to be drained or for pumping wells or ditches. Since the construction hose can also be used for irrigation, it is also referred to as a fire hose.

Features

- 2" construction hose (52)
- incl. 2 pcs. Storz-C coupling
- ideal for use with submersible pumps and for pumping water, sewage from flooded areas, wells or ditches
- Fabric made of 100% high tenacity synthetic polyester yarn, circular weave in twill weave, warp and weft multiple twisted.
- polyurethane outer coating provides increased abrasion resistance, acts as mechanical protection of the fabric and prevents water absorption
- very low weight
- very good bending radius provides high flexibility
- low friction/pressure loss due to smooth EPDM rubber coating
- High-quality EPDM rubber coating is extremely resistant to aging, ozone as well as UV
- Burst pressure: 580 psi
- cold resistant up to - 40 °C
- heat resistant up to + 100 °C (for water)
- suitable for sea water, hot water and many chemicals
- rot-proof, easy to clean and maintenance-free

Attributes

Image	SKU	Productname	Attributes	LxWxH & Weight
	1300680	2" Layflat Hose red - Storz-C / 10 m	connection: Storz C / 2" length: 10 m	500 × 500 × 100 mm 4.00
	1300681	2" Layflat Hose red - Storz-C / 15 m	connection: Storz C / 2" length: 15 m	500 × 500 × 100 mm 4.50
	1300682	2" Layflat Hose red - Storz-C / 20 m	connection: Storz C / 2" length: 20 m	500 × 500 × 100 mm 5.00
	1300683	2" Layflat Hose red - Storz-C / 25 m	connection: Storz C / 2" length: 25 m	500 × 500 × 100 mm 5.50
	1300684	2" Layflat Hose red - Storz-C / 30 m	connection: Storz C / 2" length: 30 m	500 × 500 × 100 mm 6.00
