

Locater - SeekTech SR-20

<https://ehle-hd.com/en/product/locater-seektech-sr-20/>

The **Ridgid SeekTech SR-20** is a light and robust receiver. With its 4 antennas, the SR-20 offers a faster and more accurate localization than the NaviTrack Scout. In addition, it has a larger display and a larger reception range.

The device is ideal for users who use SeeSnake cameras and other probes and need to locate power lines.
