

# M12 Battery Wet and Dry Vacuum Cleaner

<https://ehle-hd.com/en/product/m12-battery-wet-and-dry-vacuum-cleaner/>

Milwaukee's M12 FVCL 12V battery wet and dry vacuum has the power of an 18V unit. It is ideal for all mobile service applications, vacuuming liquids and dusts up to 6.1 liters capacity.

## Features

- The powerful M12 FUEL™ motor with a maximum airflow of 1275 l / min and 105 mbar is suitable for wet and dry applications
- With a 6.0 Ah battery, the vacuum offers a runtime of 14 minutes on high setting and 26 minutes on low setting. This compact vacuum is ideal for wet / dry cleaning applications
- High efficiency HEPA filter captures 99.97% of all particles down to 0.3 microns in size
- Integrated storage for accessories, for easy transport
- DEK-26 compatible
- Stackable toolbox design for added portability and improved storage
- mounting plate included for more storage options
