

M18 Battery Wet and Dry Vacuum Cleaner PACKOUT

<https://ehle-hd.com/en/product/m18-battery-wet-and-dry-vacuum-cleaner-packout/>

Milwaukee's M18 FPOVCL battery wet and dry vacuum cleaner is ideal for all mobile service applications. It can be used for minor averages while efficiently vacuuming liquids and dusts up to 9.5 liters in capacity.

With PACKOUT compatibility (Milwaukee's transport system), the vacuum gets more mobility and saves time when transporting tools to and from the jobsite.

Features

- Brushless motor for the toughest wet and dry applications.
- PACKOUT™ compatibility gives this battery-powered wet/dry vacuum more mobility and saves time transporting tools on and off the jobsite.
- High-efficiency HEPA filter captures 99.97% of all particles down to 0.3 microns in size
- Up to 30 min run time with an M18™ HIGH OUTPUT™ 8.0 Ah battery on the highest setting and more than 50 min on the lowest setting
- The wet/dry vacuum is system compatible with the MILWAUKEE® PACKOUT™ modular storage system.
