

# MX FUEL battery cable drum machine

<https://ehle-hd.com/en/product/mx-fuel-battery-cable-drum-machine/>

Milwaukee's **MX FUEL battery cable drum machine** is a real powerhouse in pipe cleaning. The cordless machine has power galore and can remove roots up to 60 meters away. The new MX FUEL batteries are specially optimized for tools with higher power and runtime requirements.

The machine has an integrated stair climber to make loading and unloading from the service vehicle and stair transport much easier.

## Features

- **AUTOFEED** Automatic motorized feed with speed control
- The integrated **POWERTREDZ™** stair climber supports loading and unloading from the service cart as well as stair transport and can therefore be transported and operated by one person only
- Completely closed drum for clean working
- Power for root removal up to 60 m
- Electronic non-slip foot pedal combined with an integrated drum brake slows down the drum for maximum user control and safety
- drum capacity of 30 m x 16 mm or 30 m x 20 mm cable - can be extended to 60 m with a second drum
- **ONE-KEY™** Device Location & Security provides a cloud-based inventory management platform that supports both location tracking and theft prevention
- The **MX FUEL™ POWERSTATE™** brushless motor, **REDLINK PLUS™** electronics, and **REDLITHIUM™** battery provide superior performance, durability, and battery life for demanding applications

## Technical data:

- **Pipe diameter:** from 75 - 200 mm
- **Cable diameter:** 16 mm and 20 mm
- **Cable length:** 30 m per drum
- **max. length:** 60 m
- **Idle speed:** 200 min<sup>-1</sup>
- **Weight with battery:** 56,6 kg

## **MX FUEL MXF LSDP-301 drum cable machine - Set consisting of:**

- 1x MX FUEL drum spiral machine
- 1x MXF CP203 Battery
- 1x MXF C charger
- 1x 20 mm spiral (7.6 m long)
- 1x 20 mm spiral (15.2 m long)
- 1x 9-piece accessory set
