

Nitrile disposable gloves - Diamond Grip

<https://ehle-hd.com/en/product/nitrile-disposable-gloves-diamond-grip/>

Thanks to its **diamond-patterned texture**, this **disposable nitrile glove** offers excellent grip, even on wet surfaces. The increased material thickness makes the glove particularly sturdy and tear-resistant, without compromising the necessary dexterity. This makes it ideal for precise tasks in professional settings. The glove is powder-free, reversible and also certified for contact with food.

Please specify the required size.
