

Oxy SR 30 - Self-Rescuer

<https://ehle-hd.com/en/product/oxy-self-rescuer/>

The **Oxy SR 30 self contained Self-Rescuer** makes you independent of the ambient air for 30 minutes in an emergency and protects your eyes from toxic gases with protective goggles. The Oxy SR 30 is easy to put on and immediately activated, making it suitable for less trained people.

Thanks to its robust construction, the Oxy SR 30 can be used maintenance-free for up to 10 years. The Safety-Eye enables an uncomplicated visual check of the functional efficiency.

For single use in an emergency!
