

Picote Original standard - carbide chains

<https://ehle-hd.com/en/product/picote-original-standard-carbide-chains/>

The **Picote Original Standard chains with star carbide tips** are efficient, all-round cleaning chains. Suitable for cast iron pipes. For cleaning plastic pipes, please use Picote Original PVC chains.

In pipes with a reduced diameter or in complicated pipe layouts, we recommend using the versions with 1 or 2 chains.

Features

- Use for high-speed drain cleaning, removing blockages, descaling, and smaller roots
- Chains with carbide or carbide tips (3-edge version)
- for stoneware, concrete, or cast iron pipes

Attributes

Image	SKU	Productname	Attributes	LxWxH & Weight
	P1380065032-1	Original standard chain 32/6 - 1 carbide chain	shaft typ: 6 mm work range: DN 32	40 × 20 × 20 mm 0.10
	P1380065032	Original standard chain 32/6 - 2 carbide chains	shaft typ: 6 mm work range: DN 32	40 × 20 × 20 mm 0.3
