

Picote ProLITE - Drain cleaning machine

<https://ehle-hd.com/en/product/picote-prolite-drain-cleaning-machine/>

The battery-powered **Picote ProLITE Miller** machines are designed for professional cleaning, descaling, and unblocking of small to medium-sized pipes. Thanks to their particularly lightweight, compact design, they are ideal for precise work in confined spaces. The 18 V Li-ion battery offers maximum cleaning power and mobility on the construction site.

Features such as variable speed control, a wide range of tools, and maximum ease of use give the ProLITE series the power and flexibility to reliably handle demanding projects anywhere.
