

rescue tripod set - DB-A3 short

<https://ehle-hd.com/en/product/rescue-tripod-set-db-a3-short/>

Complete set **rescue tripod DB-A3 short version** is ideal for transport in small vehicles. It is used for securing or rescuing people when safely entering manholes, pits, pipe trenches, tanks, containers or other low-lying workplaces.

The rescue tripod is specially designed for mobile use with the IKAR HRA type retractable type fall arrester with rescue lifting device. It is easy to set up, has no loose parts and can be assembled and disassembled within minutes when needed. The individually telescopic legs are an advantage in order to compensate for uneven ground.
