

## S3 Safety Sneaker SportStar5346

<https://ehle-hd.com/en/product/s3-safety-sneaker-teamstar5346/>

The **SportStars 5346 safety sneakers** are modern styled, with high wearing comfort and always uncompromisingly safe. Metal-free composite caps reduce weight, are athermic, non-magnetic and corrosion resistant. The S3 safety low shoes/sneakers have a padded tongue, a padded shaft edge, metal-free penetration resistance and low weight.

The safety shoes guarantee high comfort, maximum stability and protection against falls due to slipping. They are universally applicable, e.g. in the industry, handicraft, ESD workplaces, indoor

### Features

With S3 safety shoes there is no danger from pointed and sharp objects thanks to the metal-free penetration protection made of the latest HT ceramic material. High-quality materials and a non-slip sole ensure a strong and stable step in every application. The EVA cushioning system contributes to the lasting relief of the entire body.
