

## SmartTrailer - sewer cleaning trailer

<https://ehle-hd.com/en/product/smarttrailer-sewer-cleaning-trailer/>

The **SmartTrailer sewer cleaning trailer** is suitable for unblocking and cleaning domestic connections and main sewer systems up to Ø300 mm. The machine is also suitable for facade, surface and drain cleaning. The trailer can even be used for removing light graffiti. Ideal for sewer cleaners, installation companies, plumbers and municipalities.

Compact and powerful go very well together. This sewer cleaner proves that. With a cleaning pressure up to 150 bar, and a water capacity up to max. 50 l/min., the SmartTrailer is a compact powerhouse.

### Features

#### available pump capacity:

- 50 liters / 150 bar

#### Range of application

- up to pipe diameter 300 mm

#### Chassis

- single axle chassis with rubber suspension max. axle load 750 kg
- vertical load 75 kg
- Hot-dip galvanized
- 13" tires
- Drawbar with adjustable tripod
- Front wheel for optimal maneuvering
- Light bar LED lighting 12 Volt

## HP jetting unit

- SPECK NP25/50-150, three cylinder plunger pump
- capacity: 150 bar - 50l/min
- Low water protection with release switch (float switch in water tank)

## Reels

- 80m 1/2" (DN 13) flexible high pressure hose with steel core (max. working pressure 250 bar)
- solid, hot galvanized high pressure reel with steel drum
- maintenance-free bearings
- hand crank, mounted on outermost reel plate
- Filling hose reel with hand crank and 50 m of 3/4" filling hose

## Watertank

- 400 liter PE water tank in RAL 7016 (anthracite gray)
- Screw cap with large opening; ideal for cleaning
- Overflow protection integrated in the screw cap
- The water tank is mounted low, which results in a favorable
- center of gravity
- With on the reel side a -tool box integrated in the water tank with stainless steel lid

## Engine

- 16,9 kW / 23 PS B&S VANGUARD EU 5 standard gasoline engine
- with electric starter - start/stop key switch
- 12 liter transparent fuel tank

## Standard accessories

- 2x pipe cleaning nozzles
- nozzle holder, mounted on machine
- Spray gun with lance and flat spray nozzle

## further options

- Radio remote control see SmartTrailer - Comfort with pressure up/down, automatic gas control and emergency/off switch
- 360° rotating beacon (LED) with stand (0425)
- Filling connection firefighter coupling Storz-C with end cap with filter mounted on water tank (04103)
