

Warning protection jacket DETROIT

<https://ehle-hd.com/en/product/warning-protection-jacket-detroit/>

Safety through visibility. Immediately eye-catching: the daylight colours to EN 20471 ensure maximum visibility in hazardous situations and thus greater safety. The wide reflective strips made of original 3M Scotchlite™ 8906 fabric on the waist and arms also contribute to this.

DETROIT also offers effective weather protection: robust Oxford polyester, tape-sealed seams, concealed zips and a removable hood withstand rain, wind and cold. If the temperature drops, various fleece jackets can be zipped in. Prepared for zipping in: SEATTLE 3460/3465, HOUSTON 3470/3475

Features

- Certified EN ISO 20471:2013, EN 343:2003+A1:2007
