

Warning protection jacket KENTUCKY

<https://ehle-hd.com/en/product/warning-protection-jacket-kentucky/>

Excellent fit thanks to ergonomic, body-hugging cut in combination with stretch inserts. The durable twill fabric is both pleasantly soft and supple.

Segmented reflective strips, which are printed directly on the fabric, around the body and sleeves and over the shoulders (suspenders reflective strips). Dark trimmings at the hem, sleeve cuffs and in the shoulder area prevent easy soiling.

Features

- reflective PU-zippers with logo print
- abrasion-resistant trimmings on elbows and on the pocket openings
- large breast pockets with pocket combination on the right
- D-ring left
- Inner breast pocket and sleeve pocket for cell phone and pen
- adjustable cuffs and waist
- covered front zipper with pressure and velcro fastening
- yoke separation in the back

Norms

PSA category II - includes medium risks

- EN 13688:2013 - Protective clothing, general requirements
- EN 20471:2013+A1:2016 - High visibility warning clothing - Class 2
