

Warning protection jacket NIAGARA

<https://ehle-hd.com/en/product/warning-protection-jacket-niagara/>

Certified, highly visible **warning protection jacket**, class 3 (according to EN ISO 20471:2013) with reflective strips around the body, sleeves and over the shoulders (suspender reflective strips).

A high waterproofness of the fabric as well as an extended back part allow for a longer wearing time even in uncomfortable weather. An elaborate interior finish with various stowage options ensures high practicability.

Features

- Certified according to EN ISO 13688:2013 (general requirements) and EN ISO 20471:2013 (warning protection)
- comfortable to wear due to the elastic fabric
- the functional membrane guarantees a high waterproofness of the fabric
- Reflective strips (5 cm) around the body and sleeves as well as over the shoulders (suspenders reflective strips)
- reflective logo imprint on zipper bottom
- 3 zipper pockets each with zipper garage (prevents scratches on workpieces)
- longer cut back part
- elastic drawstring in hem
- Cuffs with elastic piping
- elaborate interior with chest, cell phone and large transport bag

Norms

PPE Category II - covers medium risks that are not covered by Cat. I or III according to European Directive 89/686/EEC (and subsequent amendments):
