

Wet and pump vacuum cleaner

<https://ehle-hd.com/en/product/wet-and-pump-vacuum-cleaner/>

The **N51/1 KPS** is a powerful wet and pump vacuum cleaner with an extremely high delivery volume for professional use.

The unit has a 50 litre container and an integrated pump with a delivery rate of up to 14,000 litres per hour. For pumping out water after floods, fire restoration, pipe damage, flat roof restoration, pond or pool cleaning and other cleaning tasks. The principle of operation - the water is sucked in through the hose of the vacuum cleaner. With the integrated dirty water pump, the collected water can be immediately discharged through the Storz-C connection attached to the back of the unit. For this purpose, one uses either the supplied 10 m dirty water hose or commercially available construction or fire hoses.

Features

- Particularly robust container made of impact-resistant plastic
- Powerful pump with up to 14,000 litres/h flow rate
- Separate filter net with zip for emptying protects the pump from leaves and coarse particles
- 10 m dirty water hose with Storz-C connection
- High safety due to mains cable with personal protection switch
- Also suitable for pure wet-vacuum operation

Technical data

- Mains voltage: 220-240 V / 50 Hz
- Total power: 2200 W
- Power consumption: 1300 W
- Pump power: 900 W
- Sound pressure level: 70 LpA [dB]
- Max. Negative pressure: 230 mbar
- Volume flow: 70 litres / sec.
- Delivery rate: 14,000 litres / h
- Max. Delivery head (pump): 9 m
- Tank material: plastic
- Tank capacity: 50 litres (gross)
- Waste water connection: Storz-C
- Hose length suction: 6 m

page 1

- Hose length waste water: 10 m
- Suction hose \varnothing : 38 mm
- Suction pipe \varnothing : 38 mm
- Grain outlet: 20 mm
- Cable length: 7.5 m
- Weight: 15 kg
- Dimensions (L x W x H): 50 x 44 x 65 cm

Scope of delivery

- Wet and pump vacuum cleaner N 51/1 KPS
- Plastic suction pipes 4 x 0.5 m, \varnothing 38 mm
- Suction hose 6 m
- Dirty water hose 10 m
- Integrated waste water pump
- Filter net with zip
- Pond nozzle, crevice nozzle, wet floor nozzle 360 mm
- 10 m mains cable incl. FI circuit breaker
